## Biography

Zuckerberg was born on May 14, 1984, in White Plains, New York, into a comfortable, well-educated family.

He developed an interest in computers at an early age; when he was about 12, he used Atari BASIC to create a messaging program he named "Zucknet." Together with his friends, he also created computer games just for fun. "I had a bunch of friends who were artists," he said. "They'd come over, draw stuff, and I'd build a game out of it."
